

Event: Q1/2026 “Complicated Long-Term Lease & REIT”

We were honored to co-host the seminar “Complicated Long-Term Lease & REIT” with KingBridge Tower on Saturday, 7 March 2026. The event brought together industry professionals and experts to share insights into complex long-term lease arrangements and real estate investment trusts (REIT).

During the seminar, our Partner, Mr. Apichon Sutthiphongkai, delivered a keynote session on “Complicated Long-Term Lease Agreements.” His presentation highlighted common pitfalls in lease negotiations, as well as key considerations in property lease tax planning. The session was further supported by case studies presented by Mr. Chinapat Visutthipat.

We were also privileged to welcome Mr. Piyapong Pintahrapa as a guest speaker from Saha Pathana Inter-Holding (SPI), who delivered an insightful keynote on Real Estate Investment Trusts (REITs), sharing perspectives on the structure and opportunities within the REIT market.

We extend our sincere appreciation to our valued client and partner, KingBridge Tower, for the collaboration and continued support in making this event a success.

Stay tuned for our next event, “Corporate Restructure & Business Turn Around,” planned for the second quarter of 2026, as we continue sharing legal perspectives that support business growth!
